City workers take a break

Mahape: 4004 Incorporated India, global procurement firm, recently organised a fun-filled evening for around 250 factory workers at Mahape, Navi Mumbai. Aimed at de-stressing the workers and making them feel special, there were events planned that included a mimicry act, a health talk, a yoga session and gift & dinner distribution. Texport syndicate located at Mahape was one such factory, whose employees attended the event and took a break from their stress.
